SUBJECT: COMMENTS ON THE AMENDMENT OF ADMINISTRATIVE
ADJUDICATION OF ROAD TRAFFIC OFFENCES REGULATIONS ¹

DUE DATE: 1 DECEMBER 2020

Thank you for this opportunity to comment.

Chapter 3 refers to an Appeals Tribunal. However, no where that we could find does it state where the Tribunal meets. Surely, there must be several Tribunals and each major metropolitan area must have its own Tribunal.

We are concerned about Chapter 5, Section 18. (8) in that a South African citizen might obtain a foreign driving licence for the purpose of never receiving demerit points causing them to lose said licence and a foreign driver driving recklessly endangering South Africans and also not losing the licence to drive in South Africa. We merely ask that foreigners be treated like citizens and obey our traffic laws. Please consider removing this clause.

Summary

In conclusion, we request:

1. Clarity on the location of the Tribunal (that one sits in Cape Town); and
2. Removal of Section 18. (8) to prevent foreigners from skirting AARTO.
