<p style="text-align: center;"><u>ISSUE / TOPIC</u></p> <p>We humbly request that all seating (chair, benches, etc.) be removed from the Law Enforcement building on the Fish Hoek beach. The idea being that without somewhere to sit, more patrolling would be done. What we are seeking is visible policing to act as crime and by-law infringement deterrents, specifically regarding speeding cyclists and skateboarders on Jager's Walk, which are a danger to our elderly and toddlers.</p> <p>Yes, we could ask our members to flood the C3 system with related requests, but we consider by-law enforcement to be normal policing duties. Perhaps the KPIs and KPAs of the officers and their management need to be reviewed.</p>
