<p style="text-align: center;"><u>ISSUE / TOPIC</u></p> <p>We thank the City for milling, resurfacing and repainting our Main Road from Clovelly to the traffic circle at Simon's Town, Kommetjie and Main Roads from 29 March to 19 April 2022, including gutters and parking embayments.</p> <p>However, as the 8 April City Media statement says that R100m is to be spent replacing our ever more frequently bursting water pipes in several suburbs over the next two years will require digging up our newly resurfaced road, we request rather that all other water pipes in our valley be replaced in descending reported break order first and that any water pipe bursts along Main Road be treated as point of failure repairs only.</p> <p>See our October 2018 and August 2017 requests to upgrade the infrastructure before repaving.</p>
