<p style="text-align: center;"><u>ISSUE / TOPIC</u></p> <p>We have recently received many requests for removal of vegetation from pavements / sidewalks. Most of the requests are from the South of Kommetjie Road (Hillside and Highway Roads) and more recently from the Clovelly pocket (Montrose Avenue, Pen and Bethel Roads). We also received one request from Disa Avenue in the valley, but that was some time ago.</p> <p>Overhanging and overgrown vegetation force pedestrians into the street which can be dangerous.</p> <p>Would Recreation and Parks or EPWP be able to remove the excess vegetation?</p>
