SUBJECT: SPEEDING ON ELSIE'S PEAK, FISH HOEK

Several of our residents have complained about speeding on the Elsie's Peak, Fish Hoek roads (Highway, Hillside, Echo, Contour, Mountain and Berg).

The speed limit is 40kmph, but there are only a few small signs, so much so that residents have taken to painting the speed limit on their waste bins.

Our residents do not request or expect speed humps or other physical traffic calming measures, but would appreciate some enforcement of the limits such as a trapping which they believe will alleviate the problem for a few months.

We trust you will be able to assist us.
